

CAMP KIMBERKIDS

WHERE: Kimberton Fairgrounds and Park
WHEN: Summer 2015 (June 8-August 28)
WHO: Children ages 6-10

Classic Fun & Games (June 8-12): Board games, card games, ball games, relays, and obstacle courses! Classic fun on the fields and at the park!

Science Camp (June 15-19): Be a scientist! Learn about and experiment with SIMPLE MACHINES, WATER PRESSURE, GEOLOGY, WILDLIFE, SOLAR ENERGY, ROBOTICS, and ROCKETRY!

Kimberlympics (June 22-26): Become a summer Olympian! Baseball, tennis, soccer, and more! Practice and experience team work, good sportsmanship, and team spirit. Try your hand at kickball and frisbee! We will also include some yard games and relays that require the use of group cooperation skills to complete

Born in the USA (June 29-July 2): Happy Birthday America! Have a birthday party for the USA and create with red, white, and blue. Learn about the flag and some famous Americans, too. **(Closed Fri, July 3)**

Space Explorers (July 6-10): Launch a rocket and explore the planets! Build a model of the solar system and learn cool facts about each planet.

Awesome Artists (July 13-17): Take a closer look at famous artists and their artistic styles during a week where you'll use sponges, toothbrushes, marbles, and more to create YOUR art!

Reptiles & Amphibians (July 20-24): What's the difference between reptiles and amphibians? Find out this week as you meet different types of snakes, lizards, and turtles.

Kimberclues (July 27-31): Grab your magnifying glass and put your thinking caps on because this week we are solving mysteries! Learn how to think like a detective as you piece together clues, collect evidence, and figure out "who-done-it!"

Nature Explorers (August 3-7): Explore the world around you: rocks, trees, flowers, animals, and bugs! Investigate animal tracks and break open your own geodes! Learn about trees and leaves, go on "bug hunts," and create with nature!

Wild, Wild West (August 10-14): We'll live like cowboys and cowgirls this week! We'll pitch our tents and tell camp stories around the "fire." "Pony" races, panning for gold, cattle-herding, s'mores & hotdogs are all a part of the Wild West adventure!

Creative Craziess (August 17-21): Let your creativity flow! Use your imagination to build and create with various supplies and medium. Legos, K'nex, toothpicks, marshmallows, cups, boxes, and more! If you can think it, you can create it!

Classic Fun & Games (August 24-28): Board games, card games, ball games, relays, and obstacle courses! Classic fun on the fields and at the park!
