

CAMP KIMBERKIDS

Where: Kimberton Fairgrounds and Park

When: Summer 2019 (June 10th -August 23rd)

Who: Children ages 6-10

Color me Crazy (June 10-14): A week full of color! Color games, color crafts and colorful snacks!

 **Science Camp (June 17-21):** Be a scientist! Learn about and experiment with SIMPLE MACHINES, WATER PRESSURE, GEOLOGY, WILDLIFE, SOLAR ENERGY, ROBOTICS, and ROCKETRY! Children ages 10-12 will be introduced to computer coding, programming, and game design.

Around the World (June 24 -28): Each day we will be focusing on a different country! Completing crafts and playing games children all over the world play.

Born in the USA (July 1-5): Happy Birthday America! Have a birthday party for the USA and create with red, white and blue. Learn about the flag and some famous Americans, too.

Classic Fun and Games (July 8-12): Board games, card games, ball games, relays, and obstacle courses! Classic fun and games on the fields and at the park!

Natural Wonders (July 15-19): Explore the beauties of the world around us. Take nature walks, learn about trees, look for animals, the opportunities are endless!

On the Farm and At the Fair (July 22-26): The Kimberton Fair is here! This week we'll play our own carnival games, visit the fair animals, and tour and explore the rides! We'll also learn about the roles of farmers and how farms run.

Campers vs Counselors (July 29 – August 2): A week of friendly competition between campers and counselors! From games to crafts everything can a game!

Upside down, Inside out, and Backwards (August 5-9): A week full of backward games, upside down crafts and inside out clothes. Anything goes!

Community Helpers and Leaders (August 12-16): We will be helping the community and giving back!

Best of the Best (August 19-23): It's the last week of camp. ☺ We will be playing the favorite games of the summer. It's a week of the camper's favorites!
